

# Whistleblower Channel for reporting wrongdoings

With the whistleblower scheme, you can inform **RED Drilling & Services GmbH** if you witnessed any incident that violates our company policy or the law.

## How does it work?

1. Go to the reporting page – click on this link or scan the QR Code:  
<https://whistleblowersoftware.com/secure/RED-Drilling-and-Services-GmbH>
2. Fill out a report and send it.
3. Save your access password.
4. Follow up on your report through the reporting page. You can access the report with your access password.

You and the information you share are protected by **the Whistleblower Protection Act** and secure whistleblowing platform. All data is End-to-End encrypted and metadata removed.

**Help us become better and share your concerns with us!**
